With Father John Klein

Pastoral Institute Community Room • 1515 20th Street

Known as The Way of St. James, the spiritual pilgrimage of Camino de Santiago winds along for five hundred miles. It leads pilgrims to the shrine of the apostle James in the Cathedral of Santiago de Compostela in Spain. Tradition has it that the remains of St. James the Great are buried there.

The quest to enrich one's spiritual life is a common human search. Father John Klein will share the experience of his spiritual discovery as an invitation to deepen your own pilgrimage. He has walked the five hundred mile El Camino three times. Join us for an authentic "Camino" meal as Father John shares his experience with slides, discussion of his spiritual enrichment on the El Camino, and his plans to make this journey one more time.
